

Mike Buck's scratch built model was selected as our prize winner for the 2025 chocolate fish award at the AGM

FROM THE NEWSLETTER EDITOR

I am pleased to announce that members of the the Guild elected a new committee at our AGM, which was held on Saturday 17th, May 2025. They are:

President - Paul Glenton

Secretary - Mary Norris

Treasurer - Margaret Dekker

General Committee - Mark Bennett, Leanne Troughear, Kent Leung, Colin King,
& Garry Webber

We wish them all well with the work they will be doing in behalf of us all over the next 12 months. The retiring committee members comprising Phil Hansen, Greg Taylor and Louisa Allwood were sincerely thanked by Paul Glenton & members at the AGM for their contributions over the last 5 years.

The AGM reaffirmed the Membership fees and Expense budget which were both approved at the General Guild meeting in February 2025.

Our Maintenance team (comprising: Mark Bennett, Mike Buck and Garry Webber) have progressed the repair work on the Jet bandsaw. The rod for adjusting the tension on the top pulley needed to be straightened after someone applied too much force. This has now been done. The top guide is away to try and get it welded back together. A new aftermarket guide assembly will be ordered from the USA if this is unsuccessful.

The Guild gave the committee approval at the AGM to replace the Dyco bandsaw with a new 14" machine. Proposals are being sought from suppliers to install a Solar PV system on the roof of the workshop, aiming to reduce our power costs.

The Guild is seeking a volunteer to take over from Louisa as our Caretaker Supplies officer (buying tea, coffee, toilet paper, hand towels etc. as needed). If you are willing to assist with this, would you please contact Paul Glenton.

There were an impressive selection of the wide variety of members work on display at the AGM. Greg Taylor organised the prizes and Mike Buck was awarded the Chocolate Fish of 2025 for his selection of wooden models.
